

UNIVERSITY OF TLEMCEM  
FACULTY OF ECONOMICS AND MANAGEMENT

**GREFiP**

Groupe de Recherche  
en Economie des Finances Publiques

**3rd International Symposium**

**CALL FOR PAPERS**

**FROM THE LOCAL ECONOMIC POLICY INITIATED BY THE STATE TO A NEW  
MANAGEMENT OF LOCAL AUTHORITIES  
THE ALGERIAN AND FOREIGN EXPERIENCES**

**December 4 – 5, 2019**

Since its recent inception, the GREFiP has organized three scientific meetings on topics that affect the lives of citizens through the management of local authorities. The last meeting took place on October 4, 2018 and focused on "*The Modernization of the Public Service.*"

The Algerian Finance Journal - RAFiP has published a selection of these scientific events in issues 2 and 3 accessible at the following link: <https://www.asjp.cerist.dz/en/Articles/175>

In the wake of the topics debated previously, the Council of the Research Group - GREFiP, as well as the Scientific Council of the Algerian Journal of Public decided to continue the research on local activities and how to make them more efficient in terms of management in its different aspects by focussing on the following subtopics:

- The strengthening of decentralization and decision-making process
- Local public Services and citizen
- Modernisation of local public services: the public service delegation and the 3P
- Local improvement of the local business climate
- Legal framework of the public services the citizen
- Local Planning and public equipment
- Management of human resources at local level

- The changing patterns of public management
- Communication at the local level and adaptation to the TIC
- strategy of urban management and participatory budget requirements
- Sustainable management of urban development
- Improving the performance of managers
- Local democracy development of citizens
- Participation of citizens in local development.
